

## Shopping Online with Fresh Rx

You can shop online using your Fresh Rx funds at [fcmarket.localfoodmarketplace.com](https://fcmarket.localfoodmarketplace.com) from Monday at noon through Thursday at 5 pm on weeks that there is a Market. This is the place to see what our farmers have for sale and place an online order.

Your Fresh Rx funds will cover any fresh vegetables or fruits you purchase (up to \$48 each winter market). Then, on Saturday, you come to Market and go around to vendors to collect your orders. If you haven't spent your full \$48 shopping online, you can also pick up your remaining tokens at the Welcome Table and shop with them as well.

We are also trying out a delivery option this winter (with hopes to continue it all year) to locations within 6 miles of the Market Pavilion (404 Wilkinson Blvd., Frankfort, KY). So, if a delivery would be helpful, just contact Connie at [vista@franklincountyfarmersmarket.org](mailto:vista@franklincountyfarmersmarket.org) or 502-382-1254 and we will figure out the details.

### Interested in shopping online? Here's how to get started:

- 1) Go to <https://fcmarket.localfoodmarketplace.com>
- 2) Choose Sign Up to create a new account. (If you have an online shopping account already, you don't need to create a new one. Just email Laura at [sales@franklincountyfarmersmarket.org](mailto:sales@franklincountyfarmersmarket.org) and she can switch you to the Fresh Rx customer type.)
- 3) Create your account and choose FRESHRX as your customer type.
- 4) You can choose to shop with SNAP or a credit card as well if you want to buy additional items that are not covered by Fresh Rx (like meat, eggs, baked goods, etc.)
- 5) We ask customers to enter a credit card number since we need to pay farmers for items once they are ordered, but we can waive that if you prefer and are limiting your purchases to fresh fruits and vegetables covered by Fresh Rx.
- 6) Shop between 12 noon on Monday and 5 pm on Thursday on weeks that we have a Winter Market.
- 7) Make sure to confirm your order.
- 8) Enter FRESHRX when you check out to waive the \$2.50 packing fee.
- 9) Come to Market on Saturday between 10 am and 11:30 am to pick up your order or arrange in advance for delivery (please contact Connie by 6 pm on Thursday).
- 10) If you need help with setting up your account or ordering online, please contact Laura at [sales@franklincountyfarmersmarket.org](mailto:sales@franklincountyfarmersmarket.org)
